## 7. Participants' Profile

### 7.1. Overview

	Total Number of Participants	Out of total, number of students from disadvantaged backgrounds*	Out of total, number of participants with special needs**	Out of total, number of participants with a special needs grant	Out of total, number of participants flagged as "Traineeship in Digital Skills"
<b>Student</b>	3	2	2	1	1
<b>Staff</b>	2	-	1	1	-
<b>Total</b>	5	2	3	2	1

\* The Erasmus+ Programme Guide defines an individual from a disadvantaged background as facing one or more personal difficulties or obstacles that may limit or prevent them from taking part in transnational projects. These may include educational difficulties, economic and social obstacles, cultural differences, people in a precarious situation, and geographical obstacles.

\*\*A person with special needs is a participant whose individual physical, mental or health-related situation is such that his/her participation in the mobility project would not be possible without extra financial support.

Please comment and explain the achieved results in terms of participants' profile and in particular how you encouraged the participation of the above target groups (disadvantaged backgrounds and special needs).

### 7.3. Recognition of Learning Outcomes (Outgoing Students)

The information presented in this table is extracted from the field "Number of Recognised Credits or Equivalent Units" encoded in Mobility Tool+ for each Student Mobility. Please make sure that you have provided this information whenever available before submitting this report:

	Average duration of the mobilities where the recognition process is finalised, in months and extra days

	Number of students for whom the recognition process is finalised (at the time of submission of this final report)	Percentage of outgoing students for whom the recognition process is finalised (at the time of submission of this final report)	Duration (full months)	Duration (extra days)	Average number of recognised credits or equivalent units at the sending institution
<b>Student mobility for studies (outgoing)</b>	0	0%	0	0	0
<b>Student mobility for traineeship (outgoing)</b>	0	0%	0	0	0

Comment and explain the above numbers for outgoing students against an average workload of 30 ECTS credits (or equivalent units) per semester. If the percentage of students who have their recognition process finalised at the time of submission of this final report is below 90%, please comment and explain why.
