A 'melfie' is a little melody created for a kind of a 'selfie'.

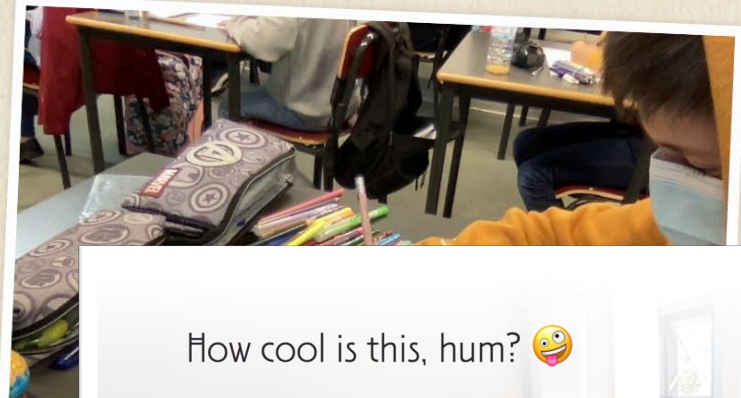

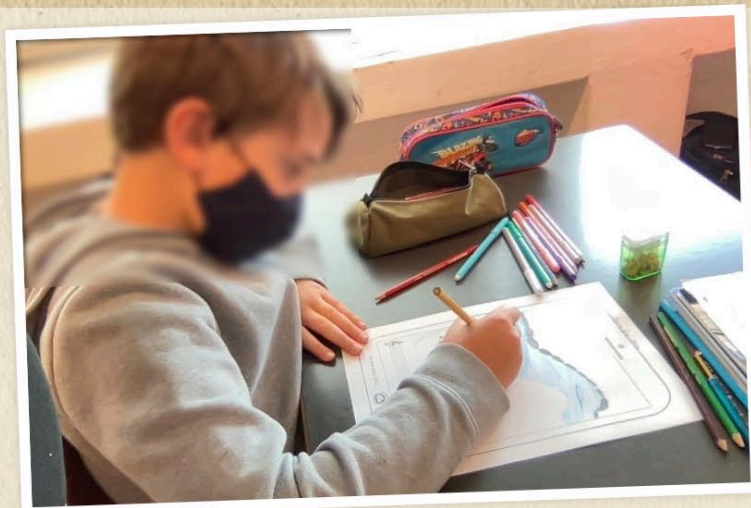

How it's done?

(1) Armed with their high-tech and very special 'mobile phones', students 'took a selfie', meaning they had to draw a part of their face with some bug, flower, bird, tree... anything related to Spring. 🌻

Ex: a butterfly on their nose. 🦋 Or a fly on top of their head. 🪰

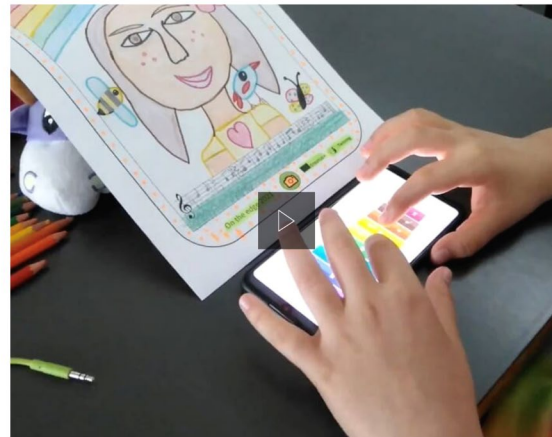

PORTUGAL + FINLÂNDIA

How cool is this, hum? 😊

Then, they created a little melody for it, a 'melfie'! 🎵🎶
