EducationUSA

EducationUSA - a U.S. Department of State network of over 400 international student advising centers in more than 170 countries.

The network promotes U.S. higher education to students around the world by offering accurate, comprehensive, and current information about opportunities to study at accredited postsecondary institutions in the United States.

- Advising services
- Outreach and U.S. College Fairs
- Cohort Advising Programs
 - Competitive College Club
 - Pathway to Graduate School

USA Study Abroad

“The U.S. Department of State is committed to preparing the next generation of diverse American leaders to succeed in a globalized economy and work across borders to address our world's most pressing issues.”

Fulbright Portugal receives support and funding to organize training and engagement activities:

- Capacity building workshops
- Training webinars
- Staff study visits to the U.S.

Support to the internationalization of
Portuguese Institutions of Higher Education
in what concerns the U.S.
